## Daily Log Completion

Next week, the 8 April 2019, everyone will stop what they are doing and start the research paper.

The paper will be split out into actives just like everything else, and will be an **INDIVIDUAL** project.

I'll give you all of the information to get started on that Monday.

Once you finish the research paper, you can come back and finish any activities you do not have completed.

<b>A</b>	Lecture / Notes
<b>C</b>	0
<b>H</b>	Raise your hand
<b>I</b>	Engage and ask questions
<b>E</b>	Headphones away
<b>V</b>	Enhance knowledge
<b>E</b>	Review notes

Should I put in zeroes?

At that time I should know what is due for the rest of the semester.

So your grade will only increase and you will know where you stand at any point in time?

If so, I'll definitely send out an email explaining to parents what happened to your grade.

## Vote

- To put in zeros
- To not put in zeros

It is much sooner than I thought but...

I GET TO GO TO THE NSTA CONFERENCE!!!

This means that I'll be gone from Wed 10 Apr through Fri 12 Apr.

(Hence part of the reason we are starting the research paper) ((A normal person can't troubleshoot or even setup the electronics labs))

Because I'll be gone, there will be no coffee or tea from Wed 10 Apr through Fri 12 Apr.

Once I come back we are going to start having you guys maintain it rather than me.

This means each class will elect two representatives each week to setup the coffee/tea station in the morning, as well as any general cleaning that needs done from the day before.

W2 - Tuesday
