# Standup Handup I Pairup

2

We are transitioning from groups of 4 to pairs.

Why, in groups too many people do nothing.

<b>A</b>	Lecture / Notes
<b>C</b>	0
<b>H</b>	Raise your hand and wait
<b>I</b>	Engage and ask questions
<b>E</b>	Review and summerize your notes
<b>V</b>	Enhance knowledge
<b>E</b>	Groups can jigsaw notes

The back board is now for questions.

If you have a question please go back in an orderly fashion without disturbing others and write your name and question on the back board.

I'll then come around and help you.

This gives you a constructive reason to leave your seat.

All activities have been updated. This means that you should RE-read them if you are stuck and confused.

Also, sentence structure. Punctuation separates ideas, capitals clearly indicate the start of new potentially completely different ideas.

**USE PUNCTUATION AND CAPITAL LETTERS**

- If you have a question, write it on the back board.
- If you go to the restroom you must place your phone in front of my computer up by the projector.
